

SACRAMENTO STATE
AQUATIC CENTER

**Summer Camp I.T. Program
Instructor Trainee**

Job Description- I.T. are volunteer support personnel for the Sacramento State Aquatic Center summer camp instructors and counselors. They assist in keeping track of campers, properly fitting lifejackets, carrying boats to docks, making sure campers apply sunscreen and drink plenty of water everyday. They will also assist the instructors in teaching and supervising areas of activities: sailing, windsurfing, canoeing and kayaking with children ages 7-13.

Position Commitment- All I.T. candidates must make a commitment of 7 out of the 11 weeks of the summer program. Sacramento State Aquatic Center will provide staff shirts. Sacramento State Aquatic Center dress code and employee standards will need to be followed.

Requirements-

- ❑ Must be in high school (work experience credits need to be pre-approved by your school advisor & Sacramento State Aquatic Center Camp Director)
- ❑ Must have participated in one of the Sacramento State Aquatic Center youth programs or the equivalent.
- ❑ Must have a signed and approved work permit.
- ❑ A parent or guardian must sign medical consent form and camper packet since I.T. candidates are minors.
- ❑ Current CPR Certification.
- ❑ Current First Aid Certification.
- ❑ California Boating Safety Certificate (home study course).
- ❑ Lifeguard training or boating safety equivalent.
- ❑ Must complete a volunteer service form.
- ❑ The minimum age to be an Instructor Trainee is 14 years.

Interviews-are scheduled with the Camp Director. All eligible I.T.s will need to make arrangements for their own transportation. Staff training will be done at the Sacramento State Aquatic Center in the last week of May.
