## **In Memory of Mark Bresolin**

Mark Bresolin's family takes great comfort in knowing that his favorite pastime is being provided to children who otherwise might never get to enjoy such an experience. Aside from time spent with his wife and daughters, Mark was happiest when in his kayak heading downstream for another adventure. To know that his joy, enthusiasm, and passion were being shared by young people would please Mark immensely. Thanks to all who choose to remember Mark's remarkable spirit in this manner.
